San Diego Children's Discovery Museum celebrates cultures and community with the 2015 Escondido Roots Series

December program celebrates Germany, Dec. 19

(Escondido, Calif. – Nov. 19, 2015) San Diego Children's Discovery Museum (SDCDM) is excited to announce the third year of the Escondido Roots Series. This series is part of the Museum's mission to celebrate and educate children and adults about different world cultures. The final program of the year is Saturday, Dec. 19 from 2-4pm and will highlight Germany.

The event will feature cultural performances and activities that highlight the German culture. The afternoon will include storytelling by Marilyn McPhie, dance performances by Gemütlichkeit Alpine Dancers and a theatre workshop by Literature Comes to Life.

Throughout the year SDCDM presented six FREE community events, each highlighting different cultures in our community. This year the Roots Series celebrated The Philippines, Mexico, Greece, China and Brazil, culminating with a salute to Germany on Dec. 19th. Each event takes place from 2:00 to 4:00 p.m. and features cultural performances, activities, and crafts that help children and adults gain a deeper understanding about different cultures while having some fun along the way!

The Escondido Roots Series is made possible thanks to funding from The Nissan Foundation and The County of San Diego. For more information on the Escondido Roots Series visit www.sdcdm.org.
